

The following is a local policing update for the Attleborough neighbourhood

Weekly crime summary 4th to 10th September 2013

Breckland Home Watch Message 12th September 2013

Over the last week again crime has been low for the time of year although we cannot be complacent. There was a Burglary in the Shipdham area on Friday 6th September where two watches were stolen, at this time the investigation continues.

We had a great result in catching a known burglar in Swaffham. He was seen in a care home, quickly identified and arrested in the area. The main areas of concern as previously stated is rural areas, a Quad Bike was stolen in Great Hockham, fortunately we have located the stolen bike and will be looking at forensic possibilities. Remember keep a look out and if you see anything suspicious call 101.

Message from Chief Inspector Porter
